Dear Editor,

I refer to the Monitor column by Tom Holland on page B10 of the February 26 SCMP entitled *Tsang's budget will do nothing to solve HK's twin problems*.

It is encouraging to see this level of journalistic scrutiny on major issues that affect so many Hong Kong individuals and businesses. I applaud Mr Holland for shedding light on a long-standing issue that a large portion of the public is unaware of, and is at the very heart of the dilemma regarding Hong Kong's inadequate supply of housing and ever-increasing prices.

Yours sincerely

Louis Loong  
Secretary General
